POLL TAXES

A total of 3655 poll taxes were paid in Medina County before the Jan. 31 deadline, Tax Collector A. J. Rohrbach reports. This is well below the record of 4,148 paid in 1962. In addition to the paid poll taxes, there were 83 exemption certificates issued, plus one "not paid" receipt.

VANDALISM

Officers were investigating a burglary at Bowl Medina in Castroville this week. Apparently the person or persons who broke into the bowling lanes were more interested in malicious mischief than in burglary.

The Retail Committee of the

Devine Men To Serve In SA Stock Show

P. D. McAnelly, John H. Watson, Hartley Howard, and Butch Roberson, all of Devine, have accepted important committee assignments as members of the general livestock committee.

McAnelly, Watson, and Howard are in the Cattle Department, and Roberson in the Swine Department, of the San Antonio Livestock Exposition, according to an announcement by Mark L. Browne, Stock Show vice president and general livestock chairman.

School Election Set For April 2

At a meeting held February 1, 1966, the Board of Trustees of the Hondo Independent School District ordered an election to be held on Saturday, April 2, for the purpose of electing two trustees for the district. The election will be held at the Lacy School Gymnasium.

The Board passed a resolution which will place the 1966 trustee election and all those thereafter under the provisions of Article 2775 a-1, R. C. S. Under this law, any candidate offering himself for a position as trustee of the district in any election shall indicate the number of the position for which he desires to run.

Terms expiring this April are designated Position 1 and Position 2, currently being held by Ralph DeMontel and Herbert Moehring, respectively. To date, Ralph DeMontel has filed as a candidate, Position No. 1, and Glenn McWilliams has filed for Position No. 2.

Herbert Moehring, who has served on the board for 12 years, has indicated he will not be a candidate for reelection. Persons who wish to file as candidates must do so 30 days prior to the date of the election. Application forms may be obtained at the office of the superintendent of schools.

Garden Group To Attend District Meet

Hondo Garden Club is being well represented this week at the District VII meeting in Corpus Christi, February 9-10.

Among members who were scheduled to make the trip by car to attend the two-day conference were HGC President, Mrs. James Duncan, Mrs. F. D. Garrison, Mrs. H. V. Crow, Dr. Hazel Pice Taylor, Mrs. Ray Jennings and Mrs. H. B. Haegelin. Several others were tentatively planning to attend.

Mrs. W. L. Taylor accompanied the group to Corpus Christi but planned to spend the time as part of her required convalescence period, following recent surgery. She was the guest of her mother, Mrs. William Metzger.

Hero's Widow Gets Medals

FORT SAM HOUSTON, TEXAS — Mrs. Carl J. (Frann) Mangold of Castroville received a shadow-box containing an array of heroism medals during a ceremony at 1:30 p.m. Tuesday, Feb. 8, at Ft. Sam Houston headquarters.

Maj. Gen. William A. Harris, Ft. Sam Houston commanding general, presented the box of awards to the widow of the late First Lieutenant Carl J. Mangold.

A helicopter pilot, Lt. Mangold lost his life in a helicopter explosion due to hostile action last September 1 in Viet-Nam. His remains were interred at Ft. Sam Houston National Cemetery on September 7.

The display case containing evidence of heroic deeds include the Distinguished Flying Cross with the first Oak Leaf Cluster, the Purple Heart Medal, the Bronze Star Medal, and the Air Medal with three through 25 Oak Leaf Clusters, all to be awarded posthumously.

In addition, the box will hold the Army Aviation Badge, the Armed Forces Expeditionary Medal, and the first and second Oak Leaf Clusters to the Air Medal, all awarded the deceased Artillery officer prior to his death.

Lt. Mangold was a native of Castroville and entered the Army on September 7, 1963 following graduation from St. Mary's University. He was the son of Mrs. Johanna Mangold and the late Earl Mangold.

The 25-year-old soldier was a member of the 1974 Aviation Company at the time of his death.

In addition to his widow and mother, Lt. Mangold left two daughters, Shelley M., 3, and Jill A., 2, and a son, Christopher J., 10 months.

County Youths Enter Exhibits In SA Show

Eight members of the Medina County 4-H Club of Hondo will exhibit one heifer, three steers, two broilers, and three lambs at the San Antonio Livestock Exposition. The members are: Frank Kauffmann, Patsy Bourquin, Stephen Bourquin, Donna Boehme, Wayne Franger, F. J. Wurzbach, Nick Turner, and Kim Turner.

The Highsmith Sisters of Hondo will exhibit three Hereford steers. Fred Collins a member of the Natalia FFA, will exhibit one Duroc swine.

GRAND CHAMP FAT CALF was entered in the Medina County Livestock Show by Medina 4-H member. The Champ weighed 1,009 pounds and that's a lot of choice steaks.

C. F. Schweers Asks Support Of Voters

C. F. Schweers, county superintendent of the Medina County Department of Education will again be a candidate for that office.

He has authorized the Anvil Herald to make this statement to the citizens of Medina County and the voters who will cast ballots in the Democratic Primary election on May 7:

"The privilege you have granted me to serve you and your schools has been a pleasure and an honor. I have appreciated this opportunity with a sense of humility and respect. With your willingness, I would like to continue serving as respectfully as conditions will permit."

County Treasurer To Seek 2nd Term

Medina County Treasurer Milton L. Mechler, in announcing his candidacy this week for re-election to the post, subject to the Democratic Primary, made this statement to the voters of this county:

"I am announcing for re-election to the office of Medina County Treasurer in the forthcoming 1966 Elections.

"The trust and cooperation shown me by the people of Medina County during my first term as County Treasurer is truly appreciated.

"I will continue to perform the duties of Medina County Treasurer to the best of my abilities.

Your support and vote will be greatly appreciated."

Bohl Re-Enters District Race

Frances J. Bohl, District Clerk, Medina County, has authorized the Anvil Herald to make this announcement:

"I hereby announce my candidacy for re-election to the office of District Clerk of Medina County and respectfully solicit your support in the forthcoming elections.

"I deeply appreciate the assistance and consideration of the citizens of Medina County during my first term in office. I pledge that I will continue to perform the duties of the office with concern for the rights of all peoples."

Henry Schulte Files For County Clerk

County Clerk Henry Schulte, seeking re-election to the office he has held for many years, makes this statement to the voters of Medina County:

"I hereby announce for re-election to the office of County Clerk of Medina County.

"It has been a pleasure to be your County Clerk for the past years, and I would appreciate your vote and support in the forthcoming Primary Election on the 7th day of May 1966."

Levi Evans To Try For JP Pct. 1

A new entry in the race for Justice of the Peace of Precinct No. 1 is Levi D. Evans. He will oppose Amos Harilee, the incumbent.

Evans made this statement to the Anvil Herald in announcing his candidacy, subject to the Democratic Primary Election, May 7, 1966:

"I have decided to enter the race for Justice of the Peace of Precinct No. 1 in Medina County, subject to the Democratic Primary in May.

"My decision was made at the request and suggestion of many friends who consider me qualified for the office.

"I am a native of this county and an experienced law enforcement officer as I served for four years as chief of police in Hondo.

"If elected, I promise my best efforts to the office of Justice of the Peace, Precinct No. 1 and I solicit the support of all voters."

CUB SCOUTS SHOW CRAFTS

Pack 219, Cub Scouts, have an exhibit of their arts and crafts in the Avenue M show windows of the Ranch Store this week.

The work represents the combined efforts of the energetic Cub Scouts who are under the leadership of Cubmaster Jack Heath. The public is invited to view the display and the Cub Scouts would appreciate any comments about their special window which is being shown as part of the local observance of Scout Week.

Harilee Seeks Re-Election

Amos Harilee, Justice of the Peace, Precinct 1, this week announced his candidacy for re-election, subject to the Democratic Primary May 7, 1966:

In announcing his candidacy, Judge Harilee said:

"I am a candidate for re-election as Justice of the Peace of Precinct 1 of Medina County, and would like to solicit the vote and support of everyone in this precinct.

"If re-elected to this post, I will continue to strive to serve everyone in the precinct in a fair and impartial manner, to the best of my ability.

"All support given me will be deeply appreciated."

County Judge Submits Candidacy

James R. Duncan, County Judge of Medina County, authorized the Anvil Herald to make the following statement regarding his candidacy for re-election to the office he now holds:

"I hereby submit my candidacy for a second term as County Judge of Medina County, subject to the Democratic Primary.

"I want to thank each of you sincerely for the consideration and cooperation you have given me. It has been a pleasure to serve you. My office is always open to you and I want you to feel free to come in and discuss problems and anything pertaining to the betterment of the County. I feel if we can continue this spirit, we can promote still greater progress and do greater things for our County."

"I will continue to operate on a business basis as I have in the past. Again I thank you, and seek your vote and cooperation."

Retail Credit Offices Merge

Effective February 1, the Retail Merchants Credit Association of Hondo and Devine consolidated, according to Mrs. George Pletz who is the manager.

Mrs. Pletz who had managed the Devine office for four years is experienced in the reporting and collecting services offered.

Reserve Champ Also A Rio Medina Entry

The big show this week at the Hondo Livestock Show Barns wound up a quarter of a century of Junior Fat Stock Shows in Medina County. For a change of pace, the rain held back until after the auction was over and made things a lot easier for everyone concerned.

Grand Champion was a 1,009-pound milk-fed fat calf entered by petite Donna Boehme of the Rio Medina 4-H Club. Terry Jungman, of the same club, won Reserve Champion honors for his 970-pound dry lot fed calf.

Other calves were entered by Rio Medina 4-H members Josey Jungman, Allen Wurzbach, Frank Kauffmann, F. J. Wurzbach, Clara Wurzbach and Glen Keller, Jr.

Hondo 4-H Club calf entries came from Carol Highsmith, Leona Highsmith and Susie Highsmith and Myron Saathoff. Hondo FFA member Thomas Wilson entered a calf weighing 907 pounds and Olin Gilliam's calf weighed 858 pounds.

From Castroville came two calf entries by 4-H Club members Lloyd Tschirhart and DeWayne Tschirhart and two from FFA members Jerome Bendele and Clyde Tschirhart.

Other show animals in the calf division were entered by 4-H clubbers Jerrilyn Nichols, Mike Nickel, Wayne Franger, Bob Bippert, Sandy Franger

and Bill Bippert. Martin Benke, FFA member from the same area, entered a 955-pound milk-fed calf. In the catalog listings, these boys and girls are shown to be members of Rio Medina, LaCoste, and Medina Valley 4-H Clubs and FFA Chapters although their addresses on the sales sheet show Routes 4 and 9, San Antonio.

Yancey was represented by FFA boys Lynn Ray Faselier and Johnny Heiligman and 4-H members Randy Faselier and Ronnie Heiligman.

Butch Vnuk, Dunlay FFA; and Steven Oefinger, Dunlay 4-H, each exhibited one calf.

Single area entries came from Karen Zinsmeyer, LaCoste 4-H; Mary Ann Nehr, D'Hanis 4-H; Charles A. Manire, Lytle FFA; John Nowlin, Devine 4-H; and John Neyland, Natalia FFA, to complete the total of 36 entries in the fat calf division which included both milk-fed and dry lot fed animals.

LAMBS

The lamb division, made up of both mutton type and fine wool lambs, drew the greatest number of entries, for a total of 111 lambs, with assorted voice registers sounding like they might all have gone astray.

Top in this category were Bernard Weynand's 107-pound Grand Champion mutton type lamb; and Kim Turner's 109-pound Grand Champion fine wool lamb. Bernard is a D'Hanis FFA member and Kim is a Hondo 4-H boy.

LaCoste 4-H Club members showed the fine wool and mutton type lambs belonging, respectively to Dee Ann Schirmer and Wayne Schirmer. First ribbons went to Michael Koch, D'Hanis 4-H and Dana Turner, Hondo 4-H. Second place to Marvin Nash, Hondo 4-H and Carl Stephenson, M. Valley 4-H.

Third place winners were Debbie Cheyney, D'Hanis 4-H; Steve Turner, Hondo FFA; Mark Stein, Castroville 4-H; and Charles Rothe, D'Hanis FFA.

HEART FUND DRIVE OPENS

Appointment of J. Melvin Fingler, administrator of Medina Memorial Hospital, as chairman of the 1966 Heart Fund Campaign in Medina County was announced here today by Dr. W. S. Duty, president of the Medina County Heart Association. The campaign will be conducted here, and in more than 8500 other American communities, throughout February.

Announcement also was made that the following will serve as community chairmen in the month-long campaign for support to underwrite research, educational and community service activities of the local Heart Association:

Mrs. Lillian Schweers, Hondo; Mrs. H. C. Stephenson, Castroville; Mrs. H. M. Blatz, Devine; and Mrs. Fred Britz, D'Hanis.

The Heart Fund drive will reach its high point during the ten-day period starting February 18, when "Heart Sunday" volunteers in all residential areas will visit their neighbors to deliver educational information on how to reduce your family's risk of heart attack and to receive Heart Fund contributions.

"There can be no doubt that diseases of the heart and circulation, accounting for about 54 percent of all deaths, constitute our country's foremost health problem," said Dr. Duty. "Apart from this, latest statistics show that 14,000,000 people suffer from heart disease. Another 13,000,000 are suspected to have some form of heart disease. An additional 6,900,000 people suffer from high blood pressure."

To everyone's approval this school week is shorter than usual. It's not that we don't like school; it's just that there are a lot of other things that we like a lot better.

With the extra days off, there was quite a lot going on over the weekend; and it might have been better for some if there hadn't been.

—PS—

Saturday night found a lot of kids out at Audrey Schweer's ranch, and if you had been listening to your radio at about 3:30 in the morning you could have heard all of us girls when we called in to KTSA and talked over the air for about five minutes. Just wait till Audrey gets that phone bill!

—PS—

Monday night at Suann Zinsmeyer's there was another party, this one a birthday party for Winky Dyess.

—PS—

The stock show was like always maybe a little better since it wasn't rainy and messy as in the past few years. It's also quite amazing what can be seen there aside from the animals. If you just keep your eyes open you can see quite a lot that's going on.

—PS—

Last week the seniors ordered invitations. It's hard to believe that the year is this far along. They also chose the play for this year "Butter on the Bacon." (Sounds extravagant!)

—PS—

This Saturday night will be the FFA-FHA party at the high school. It's the first time that these two organizations have joined plans to have a party. There will be records for those who want to dance and also game tables. You don't even have to have a date to come—but it sure does make it nicer!

STUDENT LOANS

Here is some information to add to my College A GoGo booklet (sent to all high school seniors and principals in the 15th District) telling about scholarships and other financial assistance available to young people who need help to go to college. This is in connection with the guaranteed student loan program authorized by the Higher Education Act of 1965. The State of Texas having authorized a direct loan program for students there, I am informed by the U.S. Office of Education that its officials expect soon to enter into an agreement with the state for the federal government to pay a portion of the interest charges on behalf of the student borrowers. In addition, the United Student Aid Funds, Inc., 845 Third Avenue, New York, N.Y., will operate in Texas to provide guaranteed loans for Texas students who are not eligible to borrow from the State program. Young South Texans who are qualified and determined to go to college can almost surely find a way, and I want to assist them however I can.

HELP ON FOUR FRONTS

Four Cabinet departments are on the job of providing Federal assistance for water and sewer treatment works. To promote orderly growth of communities, the new created Department of Housing and Urban Development makes loans and grants for the construction, improvement, and extension of water and sewer systems. So does the Department of Agriculture "to help rural communities obtain needed facilities." The Department of Commerce provides loans and grants for the same purpose to encourage the establishment or expansion of industry in designated areas of low income or high unemployment. These three departments make assistance available to public bodies and non-profit corporations. The Department of Health, Education, and Welfare provides grants to municipalities for the construction of sewage treatment works to control the pollution of water. The HEW program is administered in cooperation with state water pollution control agencies. It's a fact of government life that no agency likes to give up any authority it has and is usually seeking new authority.

BILLS GALORE

As of the end of January, 14,500 bills—resolutions and joint resolutions—had been introduced in the House of Representatives in the 89th Congress. Most of these were introduced last year, of course, but they were held over for this second session. And bills are still being introduced. The January 31 total figures out to about 38,49 bills for every member of the House. I have to report that I am below the average in this field, and perhaps it is just as well.

NEWSBOYS & WEATHER

Sparking of the weather that virtually paralyzed Washington this past weekend and the early part of the week, while snow-plows were stuck in the snow, airplanes and trains grounded by snow, highways treacherous because of the snow and mail deliveries stopped by all factors combined, all of this didn't faze one segment of the economy at all: The newspaper carrier boys.

Those newspapers were delivered morning and evening without fail. This was the only way many had to determine they weren't so bad off after all. And although this is not the national week set aside to honor newsboys, our scribes are tipped to the neighborhood's youngest, and most reliable, business man.

(Continued From Page 1)

Coming in fourth were Carolyn Weynand, D'Hanis 4-H; Nick Turner, Hondo 4-H; Marvin Weynand, D'Hanis FFA; and John Vance, Devine FFA.

In fifth places were Alice Halty, Castroville 4-H; John Haegelin, Rio Medina 4-H; Hilmer Koch, D'Hanis 4-H; and Dwight Green, M. Valley FFA.

Sixth place awards went to Stella Mumme, Hondo 4-H; Larry Schott, Medina Valley FFA; Danny Dailey, Hondo FFA; and Manuel Mendez, M. Valley FFA.

Seventh placers were Vickie Boehme and Shirley Wurzbach, Rio Medina 4-H; Sandra Saathoff, Hondo 4-H; and Joseph Burrell, M. Valley FFA.

Eighth place: Clayborne Boehle, Hondo FFA; Seferino Mercado and Marvin Gilliam, both of M. Valley FFA and to Bobby Mumme, Hondo 4-H.

Ninth place, Freddie Martinez and Mike Jagge, both of M. Valley FFA; Lynn Neuman, Hondo FFA; and Gene McAnelly, Hondo 4-H.

Tenth place: Dennis Neuman, Hondo 4-H; Jake Gutierrez, D'Hanis FFA; Randy Tschirhart and Bill Wood, both of Medina Valley FFA.

Eleventh place: Dolores Weynand and Karen Burrell both of D'Hanis 4-H; Vick Zerr, D'Hanis FFA; and Chris Petri, Devine FFA.

Twelfth place: Paul Miller, Hondo FFA; Wayne Huser, D'Hanis FFA; Brenda Jagge, Rio Medina 4-H; and Emil Kelley, D'Hanis FFA.

Due to lack of space, names of the remaining entrants are not listed but they represented the competing organizations from D'Hanis, Devine, Dunlay, Natalia, Hondo, Castroville and Medina Valley.

BARROWS

Forty-eight barrows were entered in the show. Both top winners came from Yancey and were shown by Juan De Leon whose porker made Grand Champion at 178 pounds and Wayne Wiemers whose Reserve Champion tipped the scales at 209 pounds.

Barrows were classified as Heavy, Medium and Light, with the first place in the Heavy class going to a 220-pound animal shown by Charles Martin, Devine 4-H.

Ribbons were awarded through 12 places in the various weight classes. The winning owners were Manuel DeLeon, Mark Van Overberg, Richard Rukey, Joe Skarda, Emil Boehme, Marvin Bendele, Domingo Gaona, Alfred Haby, Robert Haass, Valentin Frias, Donald Campsey, Tommy Wurzbach, Oscar Harrell, Joe Clavara, Bruce McMillan, Marvin Echtle, Gregory Biediger, Robert Schmidt, Anthony Stinson, Mike Schneider, Bobby Bippert, Richard Campsey, Ricky Maxwell, Dwight Haby, Jackie Walton, James McGrath and Carol Savage.

With the hog market seeking new attitudes, even the non-winning entries should be able to see silver linings to any clouds of temporary disappointment.

POULTRY

In the poultry division were two classes: Fryers and Capons. The fryers were shown in pens of five. Patsy Bourquin, Castroville 4-H, won the Grand Champion award. She has often been a winner in this division in Medina County shows.

Second through 10th places were won, respectively by Jerry Eaves, Natalia FFA; Stephen Bourquin, Castroville 4-H; Pat Eaves, Natalia 4-H; Jimmy Marbach, Devine 4-H; Jo Ann Lessing, Devine 4-H; Doris Wurzbach, Castroville 4-H; Ramon Gauna, Yancey FFA; Everett Moore, Devine FFA; and Diane Neyland, Natalia 4-H.

Twenty-three pens of fryers were entered.

CAPONS

In the 14 entries of capons, Steve White, Natalia FFA,

showed the Grand Champion bird which weighed 10 1/4 pounds. Calvin Singleton, also of Natalia FFA won second place.

Third through tenth places went to: Lloyd Blackburn and Gary Hitzfelder, Natalia FFA; Ernest Barbee, Devine FFA; Ed Risinger, Natalia FFA; Larry Mays, Natalia 4-H; Jimmy Capps, Devine FFA; Jeanie St. Leger, Devine 4-H; Charles Richardson, Natalia FFA.

Other entries of capons were made by Ricardo Tovar, Yancey FFA; Jerry Capps, Devine FFA; Dan St. Leger, Devine 4-H; and Karen Richardson, Natalia 4-H.

Roy Martin

Roy Martin In Congress Race

Roy Martin of Cotulla, Texas has expanded the Congressional contest for the newly created 23rd District in South Texas with his announcement that he is filing as a candidate for Congress, subject to the May 7th Primary. Martin stated, "I have spent a great many years of my experiences working with people located in practically all of the counties in this district. I feel that I have a definite knowledge of many of the problems that confront the people, and it is for these reasons that I aspire to represent this district in the United States Congress."

Martin, a 46 year old native of LaSalle County, is widely known throughout South Texas. During the past 20 years he has served as manager of an international cattle breed association, established and chartered in San Antonio, and closely allied with the cattle industry in South Texas. Today he still serves this organization in an advisory capacity. A rancher and farmer, Martin produces both purebred and crossbred cattle and raises cotton and grain. To supplement his farm and ranch operations, he is a real estate broker, and during the last four years, he has gained experience as a right-of-way agent and claims adjuster for pipeline companies operating in many of the counties in the district.

A veteran of World War II, Martin served as a bomber pilot in the United States 8th Air Force in England. He helped pioneer the B-24 bomber in many of the early daylight raids over Europe. On August 1, 1943, Martin returned from the now famous low-level Ploesti Oil Refinery Raid with corn stalks in the bomb bays of his aircraft. His distinguished service advanced him to the position of Bomb Group Commander and the rank of Lieutenant Colonel while he was only 24 years old. Col. Martin's numerous decorations included the air medal with 3 clusters, the distinguished flying cross with cluster, the silver star, and the French Croix De Guerre.

The candidate is the son of LaSalle County Judge J. W. Martin. He is a 1940 graduate of Texas A&M College. In 1949 he married Polly Jane Lord, who descends from the Lord and Robinson families of Gonzales and Dewitt counties. Roy and Polly Martin have four sons, and one daughter, with the eldest son in college, and the other four children enrolled in the Cotulla Public Schools.

Martin has always been active in community affairs. He has served on the board of the Cotulla Independent School District, and currently is a member of the American Legion, Farm Bureau, and Cotulla Chamber of Commerce. He is a life-member of the San Antonio Livestock Exposition, and is a member of the First Baptist Church of Cotulla.

This is the reason a lot of people 21 and over have started drinking milk again!

All adults need milk's rebuilding qualities. But all don't need its fat. So The Borden Company developed a special milk that's extra high on nourishment, extra low on fat. It's called Higher-Protein, and it's popular for four reasons:

1. 43% less fat than regular milk. You can build a reducing diet around this delicious skim.
2. 28% more protein than regular milk. Extra insurance against protein deficiency that can drag you down physically and mentally, too.
3. Rich in rebuilding minerals. One-fifth of your body's calcium needs replacing every year. Higher-Protein is rich in calcium—plus 20 other minerals and vitamins.
4. The fresh, full flavor of whole milk. You'll enjoy this milk as much as your children enjoy theirs!

Drink three glasses a day at least. You'll be glad you got back to milk!

Greetings & Sally-tations

by Sally Brucks

Monday is Saint Valentine's Day. Let me be the first to wish you the loveliest! Brings to mind hearts and flowers, cupid and sweethearts and who could give more real meaning to this Day than Mr. and Mrs. Paul Reinhart who celebrated a 71st wedding anniversary on February 4? The Reinharts lived in D'Hanis for many years but are now residing in Brown's Center in Hondo. If I could sing, I'd serenade them Monday with Believe Me If All Those Endearing Young Charms — "No, the heart that has truly loved never forgets, but as truly loves on to the close."

G & S

Synonymous with sweet things is the jar of pyracantha jelly that Agnes Horecka of Castroville sent over by her daughter, Barbara, who writes the Castroville Corner for us. I had mentioned that jelly could be made from the sweet variety, but I certainly never expected to ever taste any of it. Believe me, it is delicious. If you want the recipe, you'll have to ask Mrs. Horecka for it. It is just as pretty to look at as it is to eat — a jewel rose-pink in color.

G & S

Still on the subject of sweet things, Mrs. Clarence Huegele of the Medina Valley Band Boosters was in the office Tuesday and reported that they had bought lots of candy for their booths at the Medina County Junior Livestock Show Monday and Tuesday and they had run out on both days. Said she had to go to every store in Hondo to supplement their supply. She also reported that they had received many compliments on the way the Boosters had arranged the short order booths outside and the dining hall indoors. Mrs. Huegele said she wasn't at liberty to give out financial reports because the bills hadn't been paid but she felt that it was a most successful project.

G & S

If she was excited about the Stock Show, she couldn't match County Agent Charlie Gaston's enthusiasm. Charlie's Jewel (Mrs. Gaston to those who haven't met her, and she is a jewel!) said he wanted to get out to the grounds early Monday morning and wanted to set the alarm for 6 o'clock. Jewel told him it wasn't necessary, she'd see to it he got up in plenty of time. When she woke up, Charlie was dressed, so she insisted on fixing his breakfast. She looked outdoors and thought it was the darkest 6 o'clock she'd seen in a long while. She looked at the clock and it was 4:00 a.m.

G & S

Weather-wise, the Stock Show couldn't have asked for better cooperation with old Jupiter Pluvius and the North Wind. Usually, the weather is miserable, cold or wet and sometimes both. Mrs. Huegele said they were grateful for the help from Upstairs. Good weather added to the success of the show.

G & S

Somewhere in this town there is a book of social announcements — a big black book of engraved invitations that belongs to the Anvil Herald. If you have it, please return it to us, so the bride who is waiting to order her engraved invitations won't have to put off her wedding date! Thank you.

G & S

I haven't heard if Hondo is sending anyone to Washington to receive our Clean-Town award. Louise Taylor, chairman for the Garden Club was in the office with Margaret Haegelin, but since Louise is still recuperating from recent surgery, they were not sure they would send a representative. The City,

and the Garden Club, along with every civic organization in Hondo, worked hard for this award so it might be just as well to have another presentation ceremony here in Hondo where everyone can attend.

G & S

And maybe, the Anvil Herald ought to give a special clean house award to Mildred Chapman. She said she needed a corner in one of her rooms that was being occupied by a mangle, for office space. With tongue in cheek, she offered it for sale through the classified ads. Mrs. J. M. Cavazos bought it the very first thing. Mildred said she just wished she had had one in each corner of the room, she could have sold them all.

G & S

Some of the gals have had garage sales with items they never use but would be of use to someone else. A good way to help the cause is to advertise those never used items through the classified ads and use the money for something you really want — like a mink coat? Maybe I'm exaggerating on what you want, but not on the results you'll get from the classifieds!

G & S

Lola Hall (Mrs. Alvin) of Bronte, Texas, was in Medina Memorial Hospital last week. The fact that she is about to become a grandmother had nothing to do with her being there. She has allergies that caused the hospital stay. Talked with her over the phone and her voice is still as bouncy and enthusiastic as ever. You'll remember it was that unquenchable enthusiasm for the organization of the Medina County Association for Exceptional Children that started the conflagration of interest in our County. The work is still going on, but those who know her best feel a deep sense of gratitude for the unselfish devotion to this project that has meant so much to our exceptional children. There were times when you or I would have thrown in the towel, but not Lola. She sparkled when she talked and she talked until she instilled enthusiasm in her listener.

What Lola wants, Lola gets!

G & S

Jolene Denoncour started to work at Frost National Bank in San Antonio this week. Her sister, Sharon, has worked there for some time and the gals are delighted to be together. Jolene will be in the accounting department.

G & S

G. E. Pete Pedroza, our office equipment manager, became a grandfather for the fifth time, Tuesday. Li and Mrs. Nicholas Barron of Ft. Bliss, El Paso, Texas announced the arrival of Rene Elizabeth on Tuesday, February 8, 1966. She weighed six pounds six ounces, and give her a year or two and she'll be a handful for big brother, Nick the second. Besides Alice and Pete Pedroza, her other grandparents are Mr. and Mrs. Isabel Barron of Edna, Texas. Rene's mother will be remembered as Linda.

G & S

Two more sweethearts on my valentine list are Fannie Mae and Fred Oheim of New Braunfels who stopped by to howdy-do the Anvil Herald crew Wednesday morning. They were headed homeward but decided to take the long way 'round via the Sabinal Canyon and were on their way there. Clouds were hovering in that area so I don't know whether they made it or not. I just hope their car was equipped with pontoons.

G & S

Valentine — someone heart to get.

CAMP FIRE & BLUE BIRDS PLAN DAD-DAUGHTER SUPPER

Dad and Daughter time is here again for Camp Fire and Blue Bird members. Their annual supper, off limits to mothers and any other family members of the feminine gender, will be held Saturday evening of this week at the American Legion Hall.

Honor guests will be the girls' fathers, grandfathers, uncles or some adult male escort who will do the honors in the absence of family eligibles.

For the gala occasion, the girls prepare gaily decorated box lunches to be shared with their special guests. Place cards will mark seating arrangements for the various groups.

If this year's supper follows the pattern set by the preceding ones, a good time will undoubtedly be had by all.

CAMP PLANS

Mrs. Eldon Seymour is scheduled to speak at the March meeting of Camp Fire leaders. She will conduct a training and

information session for Camp Fire and Blue Bird Guardians.

The annual summer camp at Camp Mary Louise is planned for June 19-24.

BLUE BIRDS

The Busy Blue Birds "went western" this week to attend the Fat Stock Show. They were dressed in jeans, jackets and boots and made a close-up inspection of the animals on exhibit. Later, they made up part of the big crowd in attendance at the auction, a first experience for many of the girls.

After the show, the Blue Birds and their leaders shared a social visit, with refreshments, at a local fountain.

STOCK AUCTION SALES EXCEED LAST YEAR'S

Animals sold at auction brought a total of \$25,970.21 at the Medina County Junior Fat Stock Show, President John C. Biediger, Jr. reported. This is more than \$6,000 above the 1965 sale figure of \$19,970.21.

Hondo Livestock Auction Company paid 60 cents a pound for

the grand champion calf, which was shown by Donna Boehme of Rio Medina.

The grand champion pen of fryers, shown by Patsy Bourquin of Castroville, was sold to the Castroville State Bank for \$40. Dee's Mobil Station of Lytle paid \$35 for the grand cham-

panion capon exhibited by Steve White of Natalia.

Mumme's, Inc. of Hondo bought the grand champion barrow, which was exhibited by Juan DeLeon of Yancey. Price was \$1.30 a pound.

In the sheep division, Farmers' Tractor & Equipment Co. of Lytle paid \$1.55 a pound for the grand champion mutton type lamb exhibited by Bernard Weyand of D'Hanis, and Hurley Funeral Homes of Hondo and Devine bought the grand champion fine wool lamb shown by Kim Turner of Hondo. The price was 90 cents a pound.

Biediger expressed appreciation to everyone who helped with the show and sale, and especially to the buyers of the livestock.

AGENT NOTES

RED TART CHERRIES
Need a brilliant dish for St. Valentine's Day? Include red tart cherries in the extra special dessert.

Cherry-Fruit Cake - Perfect for Valentine's. Spread cherry filling between 2 layers of white or yellow cake. Add just enough cherry juice or red food coloring to whipped cream to tint it pink; or fold finely chopped red tart cherries into sweetened whipped cream and frost top and sides of cake.

Cherry Tapioca - Heat cherries in juice and sweeten to taste with sugar. Swirl cherries along with some of the juice, into cooked tapioca pudding. Top with fluffy whipped cream.

Cherry Puffs - Bake cream puff shells. Let cool and remove tops. Fold sweetened whipped cream into vanilla pudding and spoon into shells. Chill. Heat red tart cherries in juice, thicken as desired with cornstarch and spice to taste with nutmeg. Spoon hot sauce over puffs for serving.

Cherry Rice Pudding - Prepare a creamy white rice pudding. Heat cherries in juice, sweeten to taste with sugar and ladle over pudding.

YOU NEED VITAMIN C
Many people fail to realize the importance of getting a daily requirement of vitamin C, says Extension foods and nutrition specialists at Texas A&M University.

Vitamin C is a very necessary vitamin for the growth and well-being of young bodies as well as old. A moderate lack of vitamin C can cause stunted growth, restlessness and irritability in young children.

Other symptoms of vitamin C deficiencies which may be found in both children and adults are hemorrhages under the skin which are tiny burst blood vessels, stiffness and soreness of joints, swollen and bleeding gums and loose teeth. Sometimes hemorrhages under the skin show up among older persons who complain of poor appetites.

Since vitamin C is not stored by the body for future use, it should be included in the daily diet. Some vitamin C-rich foods are oranges, grapefruit, tangerines, tomatoes, strawberries and bell peppers. Foods that contain lesser amounts of Vitamin C are greens, cabbage, potatoes and sweet potatoes.

BROWN SPOTS?

If brown spots or holes appear in your dress when you iron it, it may be because a small battery where the damp dress touched two different metals as you ironed it, says Estella Strayhorn county home demonstration agent.

Two metals in a zipper—usually aluminum in the teeth and copper or nickel-plated copper in the slide—can act as electrodes, she reminds. The salt in liquid starch serves as carrier of electric current in the wet garment. Or it may be caused by the minerals in the water you use for dampening. The resulting combination forms a small amount of acid. Nothing happens until you apply a hot iron. Then you get the brown spots and holes, the agent says. Zippers made of one metal, or nylon zippers, will eliminate this problem. So do wash-and-wear fabrics which don't require dampening.

Troop 192 BSA Hikes To Camp

Troop 192, Boy Scouts of America, hiked the five miles from the Bandera - Quihi Roads crossing to the Wesley Wiemers ranch where they had a one-night camp last Saturday. Although the camp was a short one (compared with their last sub-freezing two-nighter above Utopia three weeks ago) the boys managed to pass various tests for advancement.

Present on the hike were Patrol Leaders James and Onis Wiemers and Scouts James DeLong, Gilbert Calkins, Joe Villa, Ramon Villa, Alvin Williams, Gordon Wiemers, Preston Gaines, Billy Bryant, Mickel Yoes, Weldon Honig, and Delwin Wiemers. Also present were adults Elgin Wiemers and Ernest Graw.

Scouts Attend Hondo Deanery Retreat-Camp

On January 14, 15 and 16, Scout Troop 219, together with two Castroville Troops, participated in the Hondo Deanery Catholic Scout Retreat - Camp Out in Castroville.

Tents were pitched along the banks of the Medina River in Koenig Park and all there prepared to earn the coveted Polar Bear Patch which is awarded to all Scouts who camp out in below freezing temperatures.

Saturday began with a field mass read by Father Palmer, Scout Deanery Chaplain, who also held scheduled conferences during the camp out on Ad Altare Dei Awards and Christian Doctrine. Edward Mechler acted as Lay Chaplain.

The camp was aglow with fires around which Scouts of all ranks attempted to pass cooking requirements for rank and merit badges.

On Saturday night around a huge camp fire, visitors including Cub Scouts of Castroville, parents, grandparents of Scouts and other guests, enjoyed songs and skits prepared and presented by different patrols. Scouts broke camp after mass and breakfast on Sunday.

Scouts attending from Hondo Troop 219 included: Paul Miller, Hector Dominguez, John Paul Rohrbach, Mike Jones, Joe Schuelling, George Gonzales, John Tschirhart, Freddie Bader, Kenny Weyand, Joe Alvarado, Jerry A. Dominguez, Randy Ruston, Peter Miller and Mitch Weyand.

Also, Larry Westbrook, Gerald Bendale, Richard Dominguez, Jerry Dominguez, Garry Zinsmeyer, August Schuelling, Vincent Arcos, Stanley Herrera and David McGuffin.

Scout Master Myles Weyand and Assistant Oscar Rohrbach accompanied the Troop.

SCOUT COON HUNT

On Friday night, Jan. 7, Scout Troop 219 headed for the wilds of the Finger Ranch north of D'Hanis for their annual coon hunt. The whoops and yells of scouts mingled with the snapping of under brush and the tramp of feet as 23 scouts, 7 guests and 6 adults followed the yelps and howls of the coon dogs belonging to Tony Zerr and Mike Weyand.

Many miles were covered and many feet were tired before the prize of five coons and one ringtail could be claimed. At midnight everyone enjoyed a Barbecue sausage supper and all were ready to follow the trail home.

SCOUT SUNDAY

On Scout Sunday, Feb. 13, Cub Scout Pack 219 and Scout Troop 219 will attend the eight o'clock mass, at St. John's Catholic Church and in a body in full uniform.

BOY HURT IN FALL

Allen Wayne Mumme, son of Mr. and Mrs. Milton Mumme 21th St., suffered injuries and a slight concussion late Tuesday afternoon when he fell from his bicycle at the corner of Avenue L and 29th Street.

Mr. and Mrs. E. L. Abbott, returning from a trip to Georgetown about 6:00 p.m., saw Allen lying in the street and stopped to investigate. They called his mother and neighbors helped to carry him to his home nearby.

Dr. W. S. Duty attended the injured boy and Mrs. Mumme said Allen would require rest for a few days but it was believed his injuries were not serious. He did have badly scraped knuckles from the fall on the rough pavement and he had head bruises.

Mrs. Mumme said that no one was found who witnessed the accident but she said Allen had only been gone from home a few minutes when it happened. After he regained consciousness, Allen said he thought he could remember that his foot got caught in the drive chain and that he must have lost control of the handlebars before he fell.

Owl B Team Tops Carrizo

Hondo's B team trailed Carrizo for the first half, and came from a score of 22-29 to a final score of 69-43 by the end of the second half. The B's game preceded the A team's game Tuesday night.

Price led the scoring for Hondo with 39 points. Other scorers were Richter 14, Klaeger 12, Dyess 8, Hill 3, and Henderson 2.

Medina Valley Still In Running

By Barbara Horecka

The Medina Valley girls basketball team lost to Natalia by only one point, 48-47. The game was close from the first quarter to the last with Medina Valley leading in the second and third quarters.

High scorers for Medina Valley were Lydia Pimentel and Janie Hinajosa, 16 each; and Linda Bayer, 13.

OWL CAGERS DOWN CRYSTAL

The Hondo Owls met and defeated Crystal City there Friday night, Feb. 4. The Owls took an early lead and increased it throughout the game. Hondo went in for the half with the score 33-23. Hondo pulled ahead to a substantial lead in the third quarter. The second string finished the game with a ten-point lead. Crystal was led in their scoring by Pichard, who scored 23 points. The Owls scored as follows:

Been 23, Pichot 17, Honig 11, Mooney 8, King 2, Ligon 2, Seifert 2.

Hondo Bs Lose Sting

Devine B scored 48-41 over the Hondo B team at Devine Friday night. The B team put up a good battle, but Devine outscored them.

Devine was led by Haass 14, Smith 13, DeLaRosa 10, and Wells 9. Hondo tried hard, but Devine gradually pulled away to an easy victory. Individual scores for Hondo were: Hill 12, Richter 8, Klaeger 7, Dyess 7, Price 6, and Alcaraz 1.

The B team lost to Fredericksburg 29 to 47 Monday night in Hondo. Fredericksburg grabbed a 2 to 13 lead over Hondo and never gave it up. The Bs played fine half the rest of the game, but they never could overcome their opponent's initial lead. The B team scoring was led by Klaeger 13, Dyess 8, Richter 4, and Price 4.

FRESHMEN

The freshmen came in a close second to Fredericksburg Monday night with a score of 34-35. Hondo gained the lead at the half, but the Fredericksburg freshmen gained a one point lead in the third quarter and kept it. The freshmen scored as follows: Sturm 11, Patterson 10, Henderson 7, and Naeglin 6.

(Editor's note: Here are last week's sports stories which reached us after deadline. They are included this week for the "memory books" as requested.)

DEVINE 47 — HONDO 47

Friday night Jan. 28, Hondo accepted defeat at the hands of the Devine Warhorses. Devine led by Littleton with 22 points and Malone with 16 points achieved a 51 to 47 victory. The Owls were hurt by their inability to hit from the field and by hitting a low 48 percent of their free throws. The Owls held Devine to a score of 4 to 6 at the end of the first quarter. In the second quarter Devine pulled to a 25 to 13 lead and they remained ahead 36 to 26 at the end of the third quarter. Hondo with a fine team effort came to within four points of the Warhorses only to run out of time. Individual

scores for the Owls were:

Mooney 16, Honig 11; Pichot 10; Been 6; Herrera 2; Chambers 2.

HILLBILLIES DOWN OWLS

Hondo tangled with Fredericksburg here Monday, Jan. 31. The Owls came out on the short end 56 to 67.

The score by quarters with Hondo listed first was 17 - 13, in the first quarter; second was 24-31; third was 37 - 53; and the fourth was 56-67.

The Owls were aided by Honig's hitting ability and the rebounding of Been and Mooney. The Owls were hurt by their lack of attention to the Hillbilly snowbirds. All else aside, the spirit and hustle of our team deserves recognition. Individual scores for Hondo were as follows:

Honig 26; Herrera 8; Mooney 7; Been 7; Pichot 6; Pavlica 2.

OWLS SCATTER WILDCATS 82-43

By J. L. Chambers

Hondo knocked the pins out from under the Wildcats here Tuesday night, Feb. 8, beating them by 39 points. The Owls, with some fine defensive work, held Carrizo's score down, while some hustle and heads-up ball handling gave them a large lead.

The Owls went in with a half-time score of 50-17. Hondo was handicapped by the loss of Pichot in the third quarter.

The team let down in the third and first part of the fourth quarter to lose much of their lead, scoring only 13 and 19 points respectively in the last two quarters.

Carrizo Springs was led by Dean with 17 and Rust with 12. The Owls were led by Mooney,

Hondo B-Team Routs Crystal

The B team led by Richter and Hill ran away from Crystal City Friday night, Feb. 4, at Crystal. Hondo led all the way having no trouble breaking Crystal's press, and holding them to two points in the second quarter.

Richter scored 19, Hill 14, Price and Klaeger 9, Dyess 4, Henderson 2, Sturm 2, and Alcaraz 2.

AREA DEATHS

MRS. ANNA B. FRAZIER

Mrs. Stephen (Anna Belle) Frazier, 57, died Monday, February 7, 1966, about 11 p.m., in the home of her daughter, Mrs. John H. Neuman, 709 21st Street, Hondo.

Mrs. Frazier, the widow of the late Mr. Stephen Frazier, was born on June 29, 1909 in Waco, Texas. She was the daughter of the late Robert Thomas Young and Maggie Hoffines Young. Mrs. Frazier had operated a convalescent and rest home on Highway 90 in Hondo for many years before she sold her property at that location.

Surviving Mrs. Frazier are four sons, Frederick Eugene, Milton Lee and Freddie Jack Frazier, all of San Antonio and Stephen Louis Frazier of Atascosa; two daughters, Mrs. Dalton (Martha) Baker of San Antonio and Mrs. John H. (Sandra) Neuman of Hondo; and 19 grandchildren.

Other survivors are three brothers, Benny Young, Charles Young and Will O. Martin, all of Waco; four sisters, Mrs. Joe L. (Tressie) Corsiglia of Richmond, New Jersey; Mrs. Irene McBride, Gladewater, Texas; Mrs. Wesley Haralson, Waco and Mrs. Mary Williams, Fort Worth.

Funeral services were held at 1:00 p.m. Wednesday from Hurley Funeral Chapel, Hondo, followed by graveside services in San Jose Burial Park, San Antonio. The Rev. Earl D. Willis, a Baptist minister, conducted the services.

LEGAL NOTICE

CITATION BY PUBLICATION THE STATE OF TEXAS
vs
ELIZABETH CLARK
TO: Elizabeth Clark, address unknown, and if the said Elizabeth Clark be deceased, then the unknown heirs and legal representatives of the said Elizabeth Clark.

You are hereby commanded to appear at the hearing before the duly qualified Special Commissioners appointed by the Judge of the County Court of Medina County, Texas, to assess the damages occasioned by the condemnation of the hereinafter described land to be held in the Courtroom of the County Court, at the County Courthouse in the city of Hondo, Medina County, Texas, at 10:00 a.m., on the First Monday after the expiration of forty-two (42) days from the date of issuance hereof, that is to say, 10:00 o'clock, a.m. on Monday, the 17th day of February, 1966, and answer the Petition of the State of Texas vs. Elizabeth Clark, wherein the State of Texas is Plaintiff and Elizabeth Clark, address unknown, and if the said Elizabeth Clark be deceased, then the unknown heirs and legal representative of the said Elizabeth Clark, are defendants, which Petition was filed with the Judge of the County Court of Medina County, Texas, on the 20th day of December, 1965, and the nature of this proceeding is as follows:

The suit is a proceeding in eminent domain for which the State of Texas, at the request of the State Highway Commission, is seeking to condemn for highway purposes the fee simple title to the following described tract of land situated in the town of Natalia, in Medina County, Texas, to-wit:
Out of Lot No. 8, Block No. 38, in the said town of Natalia, and described by metes and bounds, as follows: BEGINNING at the point of intersection of the corner of the northwest line of Lot 8, Block 38, in said town of Natalia, owned by Elizabeth Clark and the proposed southwest right of way line of F. M. Highway No. 471, said point being south 39 degrees 46' west along said lot line, 44.56 feet to the west corner of said lot; THENCE north 39 degrees 46' east along said lot line and same being the southeast right of way line of Fifty Street, a distance of 8.44 feet to the existing north corner of said lot, said corner being

south 39 degrees 46' west 31.56 feet from the Engineer's Survey Line Station 11 plus 48.3 on said Highway; THENCE south 50 degrees 14' east along the northeast line of said lot and same being the southwest right of way line of Walton Street, a distance of 153.0 feet to the existing east corner of said lot, said corner being south 39 degrees 46' west 33.97 feet from the Engineer's Survey Line Station 13 plus 01.3 on said Highway; THENCE south 39 degrees 46' west along the southeast line of said lot and same being the northwest right of line of a 16.0 foot alley, a distance of 6.03 feet to a point for corner in the proposed southwest right of way line of said Highway; AND THENCE north 51 degrees 08' west parallel to and 40.0 feet from the Engineer's Survey Line, a distance of 153.02 feet to the point of BEGINNING, containing 0.025 of an acre, more or less.

You are further notified of and commanded to appear at said hearing and to appear at said above time and place of such hearing and then and there present such evidence, argument and other matters, as you may desire, relating to said proceeding and the amount of compensation which should be paid by said Plaintiff to all of said defendants, named hereinabove, by reason of the taking for such purpose of the above described tract of land, including compensation for damages, if any, resulting to the remaining portion of the property of said defendants out of which the above described tract of land is being taken, and you may file any written answer or statement in connection with this proceeding if you so desire.

If this citation is not served within ninety (90) days after its issuance, it shall be returned forthwith.

GIVEN UNDER OUR HANDS at Hondo, Medina County, Texas, this 28th day of December, 1965.

HONESTY OF CLAIMS CHECKED THROUGH ADS

Just how important is a small newspaper advertisement?

"The newspaper advertisement is a written promise to the prospect which is officially signed by the advertiser with his logotype," said one man who is in charge of advertising for more than 5,000 food stores placing ads in 3,000 newspapers each week. To him each advertisement is a serious effort.

"The ad is a real document—a contract—sober, responsible, considered," he said. "It represents an irreplaceable contact between buyer and seller."

The public is not easily duped, and today's merchants know it. The steady decline of fraudulent and misleading advertisements in recent years attests to a well-educated consuming public and a more honest group of businessmen.

Consumers are more likely to believe what they see in print—and for good reason. A newspaper ad offers a more honest group of businessmen.

BOY SCOUTS OF AMERICA

Medina County's Boy Scouts and the younger Cub Scouts join this week with the more than 5,885,000 boys and adult leaders in 143,300 Scout units throughout the United States in observance of the 56th anniversary of Scouting.

These boys and men represent over 93,000 organizations who use the Scouting and Exploring programs to build character and awareness of the responsibilities of citizenship into boys from the ages of 8 through 17 years.

Sponsors of the national program include schools, Parent Teacher Associations, service clubs, fraternal orders, religious groups, business, industry, labor and many recognized civic and community organizations.

"Breakthrough for Youth" is the challenging theme presented to Scouts for their special week this year.

From today's Scouts will come tomorrow's leaders. What a Scout learns in his formative years will stand him in good stead through maturity.

Under the dedicated leadership of Scout Masters and their assistants, Scouts take seriously their pledge to do their best in their duty to God and country, to help other people at all times and to keep themselves physically strong, mentally awake and morally straight.

Medina County is proud of a n d grateful for every Boy Scout of America, every Cub Scout, and every adult teacher of these men of the future.

TEEN AGE

WHAT PRICE ADVICE?

If all the people who spend their time trying to understand teenagers were laid end to end — it just might be a good thing!

Any more, this appears to be the indoor sport that has replaced tv. Hardly a month passes but what we have an opportunity to purchase another series of articles on modern day youth, their ambitions, their wants, their dislikes, their etc.

In most instances a little looking behind the scenes will find an author who has accomplished one of two special situations: (1.) no children in the home, or (2.) the author's children have been the sorriest on the block.

It is just as impractical today to try to figure out the teenager as it was in our own generation. It would be easier to submit the answer to the passage of time, or the length of a piece of string.

When we get an offer to purchase publication rights to one of these teenage advice series we are reminded of an academic discussion we had with a bootlegger back in the dry days. We expressed surprise to learn that he never touched the stuff, even though he worked within an arm's length of any brand of drinking whiskey. "This stuff's for sellin' — not drinking" was the way he explained it.

We think a lot of these teenage advice series are to the same purpose — they're for selling, not usin'!

REMEMBER WHEN...

10 YEARS AGO 1956
Although the poll tax payments did not break the record for Medina County, a last minute surge of payers brought the issue of 65 exemptions to those who are 21 and eligible to vote for the first time bringing the count up to 4,642.

20 YEARS AGO 1946
In the fall of 1903, the Henry Kueck gin in Yancey ginned a whopping total of 2,222 bales. Then the boll weevil made its appearance and in 1904 the output dropped way down to 222 bales. Following this disaster, cotton never paid and in 1908 the gin was dismantled and sold piecemeal.

30 YEARS AGO 1936
The Hondo National Bank, succeeding the First National Bank of Hondo and the Hondo State Bank consolidated with the close of business Saturday, Feb. 1st, opened for business in the First National Bank building Monday morning, February 3rd. All deposit accounts carried by both banks are being handled by the new institution.

40 YEARS AGO 1926
Oil scouts are here almost every day and rigs are going through, indicating activity. Medina County is being mentioned as one of the best prospects for 1926. This week on the streets of Devine it was being said that 16 new derricks are soon to go up in the Medina field.

50 YEARS AGO 1916
The Medina County Summer Normal Committee went to Sabinal Saturday where they met the representatives from Uvalde and Zavala Counties. Definite steps were taken for the Summer Normal, which will be held in Uvalde during June and July.

60 YEARS AGO 1906
Joe Weber presented the Anvil Herald office with a sweet potato weighing seven pounds. This was out of a hill of three yams which weighed altogether 14 pounds. He has raised about a hundred bushels of these sweet potatoes without irrigation but is feeding them to the hogs as he has been unable to find a market although the soil of Medina County produces fine sweet potatoes both in quality and size.

SECO PHILOSOPHER SAYS THAT F. CASTRO Doesn't Know Beans About Rice

Editor's note: The Seco Philosopher on his Johnson grass farm explains some of the facts of life to Castro in his letter this week. Unfortunately, Castro doesn't subscribe to The Anvil Herald and will miss this advice.

Dear editor:

According to a newspaper which a friend in town gave me yesterday, well I don't think he exactly gave it to me, he rustled it sort of impatiently to indicate he had something else to do besides talk with me and handed it over as I left to make sure I was on my way, Castro is having some more trouble in Cuba.

In addition to being pushed off the front page by Viet Nam, Castro is having a hard time understanding communism.

Red China, he explained to his people in a four-hour television speech, promised to deliver him a million tons of rice or some such amount and to take some of his sugar in exchange, but now she has gone back on her word and he thinks this is outrageous.

Somebody ought to take Castro aside and tell him all about Communism.

He ought to find out that when a Communist leader for example says I'll send you a million tons of rice, it means what the ordinary person means when he says I'll dance at your wedding. It has nothing to do with dancing or delivering rice.

When a Russian Communist says Stalin was a saint, what he means is he's a saint till everybody is ordered to call him a bum.

Truth in Communist countries is like a calendar in other countries. After 30 days you tear off a page and start over. What you said in January has nothing to do with what you say in February.

Castro is sort of new at the Communism business and I'm afraid he's in for a lot of disappointments if he goes around believing what his new friends tell him. It's a very unreliable way to get any rice.

Listen Fidel, a Communist's word is as good as his bond, which is why nobody would buy one.

Yours faithfully,
J.A.

OUR READERS Write

Feb. 4, 1966

Anvil Herald:

Thank you very much for the welcome you had in your paper for our shop. I didn't know it could mean so much to open the paper and read, "Welcome, Neighbor."

Everyone of your employees at the Anvil Herald have been more than helpful to me. Thank all of you from the bottom of my heart. I hope Edna's Flower Shop will help to keep the streets and stores of Hondo busy.

Sincerely,
Edna Lee Grunewald

G. I. Questions and Answers

Q — My husband is a veteran of World War II. He is 40 years old and receiving compensation from the VA for a disability which is service-connected. I would like to know if he is still eligible for a 30-year mortgage on a home loan.

A — He may well be. An eligible World War II veteran's entitlement for a GI loan expires 10 years from the date of discharge from his last period of active duty, any part of which occurred in World War II, plus one year for each three months of active duty in World War II. In no case will entitlement extend beyond July 25, 1967. The nearest VA regional office can establish his deadline date.

SOIL CONSERVATION NEWS

In the Medina Valley Soil and Water Conservation District, time is here for sprigging coastal Bermuda grass. The ASC is taking applications to assist in the payment of sprigging cost. They will pay up to \$5 per acre for the sprigging and half the cost of fertilizer applied.

Some farmers have been waiting until now to sprig their waterways. With the available moisture, conditions are ideal to get this work completed early, according to the supervisors.

Concrete lined ditches are going to be installed on the L. W. Lewis farm and on Dr. Carl Garth's farm near Pearson. Also on the farms of Mrs. Johnnie Ernst and the Ellis farm near Natalia. These ditches will provide adequate water when irrigating without causing erosion or water loss. All of these farms will be establishing coastal for grazing.

Underground plastic pipe is being installed on the L. L. Hitzfelder farm near LaCoste and on the Bourquin Bros. farm of Rio Medina. This pipe is put in the ground deep enough to prevent farm equipment from hitting it.

Donald Horton is doing some land leveling for better water distribution when irrigating. When he completes the leveling, he plans to sprig the entire field to coastal.

STONEWALL
Otto Schumann, chairman of Rodeo Committee of the Stonewall Chamber of Commerce announced the dates for the 1966 rodeos to be held at the Stonewall Rodeo Arena.

A youth rodeo is planned for May 6 and 7; Jamboree Major rodeo on June 24 and 25; Jack Pot Roping on July 2 and 3; and an Adult rodeo on Labor Day weekend, September 3 and 4.

KERRVILLE
Poll taxes and auto license plates have kept the Kerr County Tax Assessor's office busy this week. Mrs. Juanita Reeves, tax assessor-collector, said that about 3,300 people paid their poll taxes this year, compared to 2,600 last year.

MASON
The Mason County Ministers' Association will present a special series of community worship services during the coming year on each fifth Sunday evening.

SEGUIN
Karen Sue Meyer's 874-pound commercial calf, judged champion of the class at the Guadalupe County Youth Livestock and Homemakers Show, sold for 89 cents per pound to bring a total price of \$786.60.

SONORA
The Sonora Bronco Booster Club will display their full talent February 10 when the "Flatbellies" tangle with the "Flatbellies" in a Booster inter-squad basketball game.

CRYSTAL CITY
The offices of the Crystal City Independent School District are now located in the new Administration Building which was completed about a month ago at a cost of about \$25,000. The offices of the superintendent, business manager, and coordinator of the Migrant School are in the building. The tax office, which is now in the courthouse, will be moved to the building at a later date.

COLLEGE STATION
There isn't much optimism in the outlook for cotton in the year ahead.

John G. McHaney, Texas A & M University Extension economist, says 1965 production will exceed domestic and foreign usage of U. S. cotton by some 2 million bales and will bring the Aug. 1, 1966, carryover to an estimated 16.2 million bales, a new record.

LIBERTY
The 11th annual Atascosito to Camellia Show in Liberty attracted over 3,000 bloom entries according to Sam Partlow, general show chairman.

With entries in a variety of displays, arrangements and specialty blooms in horticulture and artistic categories, contestants came to Liberty from Louisiana, East Texas and the Houston - Beaumont area.

Dr. A. L. Delaney, Jr., Atascosito Club president, said this year's show stood a good chance to be one of the outstanding floral shows of the season, preceding the Beaumont and Houston Camellia shows within the next two weeks.

FALFURRIAS
Young people in the Falfurrias area are attempting to organize a teen discotheque club. The club will be open to all high school students, with the annual membership fee of \$3 to be paid at a later date after the completion of the applications.

Cost of putting a building in operation has been estimated at \$1,800. The club will be under adult supervision at all times.

EAGLE PASS
Bidders at the Maverick County Junior Livestock Sale last Saturday paid a total of \$5739.70 for 48 animals rated from grand champions down through red-ribbon winners.

Manuel Villarreal of Quemado had the grand champion calf a 738-pound Aberdeen-Angus which was sold to the First National Bank of Eagle Pass for 47½ cents per pound.

Grand champion hog, a 196-pound Duroc, was exhibited by Roland Johnson of Normandy and sold to McCullough Ranch and C&H Machinery Company for 85 cents per pound. A 104-pound Hampshire lamb, exhibited by John Meyer of Quemado, was bought by the First National Bank of Eagle Pass for \$1.05 per pound.

Little Theatre To Present Flam. Dancers

Joe Greco, the living synonym for the Flamenco Dance, will perform in San Antonio's Municipal Auditorium on Friday, Feb. 11, with his great troupe of Spanish dancers and musicians. Although best known for the Flamenco, Greco and his group actually will perform a wide spectrum of dance forms, all set off by the lavish costumes and scenic backgrounds for which Greco is famous.

Prima ballerina for this season's tour is the exciting Nana Lorea, who has not appeared in the Greco troupe since 1963. Equally accomplished in both the Spanish classic and Flamenco dances, her talents win unanimous critical acclaim. She is a graduate artist of the Royal Conservatory of Music and Declamation in Madrid. Besides Greco and Miss Lorea, other outstanding artists in this season's troupe include Antonio Montoya, an electrifying gypsy king who is equally a king on stage; Flamenco dancer Rafael Garcia, making his American debut, La Chichi, distinguished from her contemporaries by the fact that she dances barefoot; Barriito, famous for his gay, humorous singing; and Manola Baron, one of the top guitarists of Spain.

As is his custom, Greco spent the better part of last summer touring Spain to assemble a troupe that includes many of his old regulars, as well as a host of new faces. Greco also brings his talents to bear on the show as his own choreographer, director and costume designer. He prepares the total show each year with a single-minded goal: to outdo the success of his past season.

Popular ticket prices for this performance will be: orchestra, \$4.50, 4.00, 3.50 and 2.50. First balcony: 3.50 and 2.50 and 2nd balcony seats will be 2.50 and 2.00. Reservations can be made and tickets obtained through the Municipal Auditorium. Telephone reservations can be made by calling DI 4-9749.

CAKE SALE SATURDAY

The Hondo Chapter of Young Homemakers will have a Valentine bake sale on February 12 from 9:30-12:00 in the Hondo National Bank. Everyone is invited to stop by and take home a cake or pie for his or her valentine.

natural gas
makes the
BIG difference

Maintenance is one of the most important factors in the operation of an office building, whether it's a towering skyscraper or a one-story clinic. That's why you'll find natural gas being used for heating, for water heating and for air conditioning in so many modern office buildings. Installation and operating costs are low; and maintenance cost is almost negligible. For dependable service on all the big jobs, specify GAS.

BUDDY GROFF gets what he goes after!

'Ride 'Em, Cowboy' Is His Go-Signal

By Edna McDade

Rodeos and recognition for top performances are old hat to Hondo's nationally-known Buddy Groff. He handles a horse with much the same ease that the traditional Texas millionaire pushes the buttons on his herd of power-steered Cadillacs.

A repeat winner of rodeo contests in shows all over the United States, Groff is scheduled to appear as a star performer and roper in the San Antonio Livestock Show which opens on Friday of this week. Later in the month he is on the program at the big Houston Livestock Show at the Astrodome.

Groff's present connection with the Hondo Livestock Auction Company keeps him busy at work he knows and loves best of all - handling livestock, any kind. Horses, he admits, are his favorite brand of four-legged greased lightning transportation.

It was in 1950 that Groff won first place in roping at the Houston Fat Stock Show.

Then, as early as 1954, he made his first national appearance in the famous Madison Square Garden where he showed the Big Towners how such things were done Texas-style. He made a return appearance in 1954. Both years, Groff won first in roping and second in steer wrestling.

Four years later, in 1958, Buddy Groff won the coveted Cheyenne Buckle at the Wyoming Rodeo.

The Groff family lives at 1016 18th Street in Hondo and Buddy owns a ranch northeast of town. There he does some stock raising and farming and is in calling distance when new rodeo opportunities offer.

Mrs. Groff is the former Bonnie Ulbrich, also of Hondo. The Groffs have two children. Daughter Nancy, almost 16, shares her father's love for horses and rodeos. Mike, who is 9, is more of an athlete than a horseman and he goes in for school sports in a big way. Buddy's mother, Mrs. Nita Groff, makes her home with her daughter, Mrs. Frank Graff on Bandera Road.

Buddy Groff is still a young man and he looks forward to many more years of active participation in rodeo work. "It gets in a fellow's blood," he says, "and it keeps him active, that's for sure!"

In the accompanying picture, Groff exhibits the form that won for him the best all-around championship in the Burwell, Nebraska, Rodeo some years ago.

REVOLVING CHARGE ACCOUNT

This is the new and easy way to buy what you need, when you need it, with convenient monthly payments. All you do is open a Revolving Charge Account. You pick a convenient monthly payment (as low as \$5.00), and this determines the total amount you may buy. Each monthly payment reduces what you owe, but increases the amount you can buy!

HERE'S HOW IT WORKS

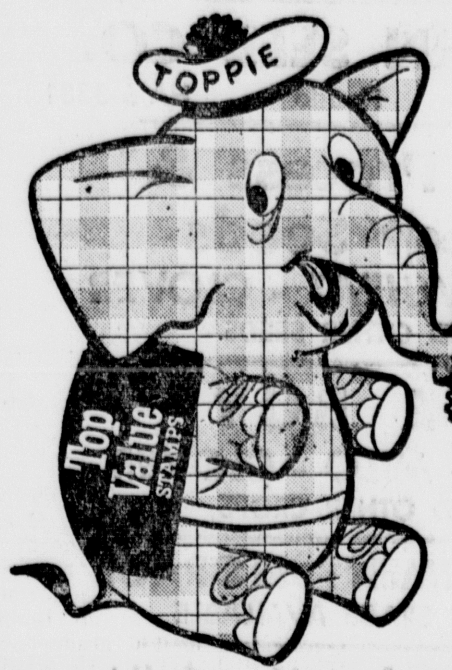

For example: You decide you can pay \$7 a month to Alamo Lumber Company. This means you can charge \$50 for any kind of merchandise. Then, each \$7 monthly payment reduces the amount you owe, and you can charge additional materials. On the chart to the right you can select the monthly balance you want, and see the convenient monthly payments that let you buy the things you need NOW.

MONTHLY BALANCE	MONTHLY PAYMENT
\$5 - 25	\$ 5
\$26 - 50	\$ 7
\$51 - 100	\$10
\$101 - 150	\$15
\$151 - 200	\$20
\$201 - 250	\$25
\$251 - 300	\$30
Over \$300	1/10 of balance

GET YOURS TODAY!

Your Revolving Charge Account is good for any merchandise or material in your Alamo Lumber Company store. This means modern kitchen cabinets, wall paneling, do-it-yourself tools, anything we have. Just come in and browse around while we approve your application. Come in today. Or tomorrow at the latest.

Chevrolet Impala Sport Sedan with Body by Fisher

JET-SMOOTHER THE CHEVROLET WAY

Soft contoured new Strato-bucket front seats come standard in Super Sports for relaxing comfort on every trip.

We added new bushings and softened body-to-frame mounts to smooth Chevrolet's ride. We put in soft-acting shock absorbers and soft-working coil springs at every wheel. By soft, though, we don't mean mushy. Chevrolet's Way makes for a smooth, solid ride. Very steady on curves. A bump jumps from the wide-stance wheels to the supple springs and shocks—and pfft! It all but disappears.

The powerfully smooth new Turbo-Jet V8 is available in all '66 Caprice, Impala SS, Impala, Bel Air and Biscayne models.

Eight features now standard for your added safety—including seat belts front and back (always buckle up!) and an outside rear-view mirror (always check in back before passing).
